

Feedback Project School Agreement

School eligibility terms and conditions for participation in the project

This is a project with school benefits over 3 years. To participate in the project, schools must have an above average intake of free school meals pupils: primary schools 13.7% and secondary schools 12.4%

Two classes in each school will participate from Years 5,6,7 or 8

- Each teacher will teach lessons throughout the year covering the normal learning objectives.
- Each teacher will use the LbQ Question Sets in lessons a minimum of 3 times per term week for around 10-15 minutes with no upper usage limit throughout the project.
- Teachers will provide valid email addresses and telephone contact numbers and be responsive to communications.

Equipment and support

- Schools will need adequate internet broadband and Wi-Fi coverage to enable reliable connection of their pupil devices.
- Schools will prioritise use of the provided tablet computers for participating teachers.
- Schools will provide access to IT support staff in order that the software and equipment can be used throughout the project period.
- Teachers will, at the earliest opportunity, notify LbQ if there are any support or operational issues preventing the effective use of the software or equipment.

Access to data

- During the project LbQ will have access to online data covering use of the system and pupil results strictly for the purposes of the project.
- Use of the system is subject to LbQ Terms of Service, Privacy and GDPR (see links at www.lbq.org).

The project will supply tablet computers, software, training and support worth £5,199 - For each of 2 classrooms:

- Classroom Set of 32 x 8" Android Tablet Computers for pupils, each with protective cover and LbQ App preloaded.
- 1 x 10" Android Tablet Computer for the teacher with protective cover.
- Lockable charging and storage cabinet.
- 3 years advanced replacement warranty so tablets are rapidly replaced in event of failure.
- 1 x 3-year LbQ teacher subscription with access to Question Sets across all years and all subjects.
- 3 x LbQ Teacher Subject Planning books worth £90
- Finance documentation fee (if you want to spread costs over 3 years)
- Initial and ongoing training and support.
- Delivery of equipment to school.
- 3 years teacher software support.
- At end of 3 years the school can return the equipment or replace with a new agreement.

School Incentive

By participating in this project with the requisite usage in this agreement, the school will qualify for:

A project subsidy funded by SHINE Trust and Learning by Questions covering equipment, software, support and books covering the first year of the project and parts of years 2 and 3.

The school will continue to have use of the equipment for three years with a contribution of:

No cost to the school in Year 1

£1,267 per teacher in Year 2

£1,267 per teacher in Year 3

Schools who supply their own Tablets can participate at a cost of £666 (+ £334 contribution from SHINE)

Prices exclude VAT [See Page 5 for conditions of use of tablets.](#)

Tablet Computers conditions of use during the School Feedback project

Conditions of Subsidy and supply and use of the tablet computers:

- Your two participating teachers will be responsible for managing the tablets in order that the minimum use of 3 times per week is maintained.
- During the project, you must prioritise use of the tablets for the project and you will not permit use by any other staff if that will interfere with accessibility and usage by the teacher in this project.
- You will ensure that the tablet's batteries are regularly charged, so that the minimum usage conditions can be reliably met.
- Your school is responsible for insuring the devices against loss or theft.
- Any damaged tablets must be promptly repaired or replaced by the school through the warranty process.
- You will ensure that Wi-Fi and internet access is available in the participating classrooms.
- The tablets will be pre-installed with the LbQ App required for the project and you will ensure that the LbQ App is updated from time to time.
- Your school is responsible for providing first line technical support for teachers using the tablets.
